

Concierge Waste Disposal Service - Elevating Community Cleanliness, One Door at a Time

Who We Are

Waste Grid's Concierge Waste Disposal Service offers a premium, door-to-door trash collection solution for multi-family properties, including apartment communities, condominiums, student housing, and senior living facilities. Our service combines convenience with environmental responsibility to maintain cleaner, more hygienic living spaces.

What We Do

We provide nightly trash and recycling pickup directly from residents' doors, eliminating the need for trips to communal dumpsters. Our professional team ensures efficient, timely, and eco-friendly waste management, enhancing property cleanliness and resident satisfaction.

Service Options

Flexible Service Plans

- Three Nights Per Week: Ideal for smaller communities or those with lower waste generation
- Five Nights Per Week: Most common frequency, providing consistent waste management

Pricing Models

- Flat-Fee Model: Consistent rate per unit per month
- Volume-Based Pricing: Adjusts cost based on amount of trash collected
- Tiered Pricing Models: Offers flexibility based on pickup frequency and service levels

Service Area & Hours

Location

- Serving single and multi-family properties across Northwest New Mexico

Contact us to learn more about our student valet waste disposal service

Operating Hours

- Nightly service, typically between 6 PM and 8 PM
- Specific pickup times customized to property needs

How It Works

1. Place bagged trash & recycled items in clear bag outside your door during pick up times
2. Our Service Valets collect waste from each unit
3. Waste is properly disposed of in on-site dumpsters or compactors
4. Common areas are kept clean and maintained

***NOTE: Recycled items must be in clear or blue bags with nonperishable items inside.** We do not collect hazardous waste or broken glass. All pet waste must be double bagged and tightly sealed or an additional \$10 service fee will be applied.

Additional Benefits

- Increased NOI: Potential for ancillary income and reduced maintenance costs
- Resident Retention: Adds a valuable amenity that enhances living experience
- Flexible Implementation: Easy to implement with minimal upfront costs
- Customizable Solutions: Tailored to fit specific property needs and budgets
