Answers to FAQ's regarding student valet pick-up:

- If your roommate is home he/she can give us your laundry when we arrive.
- If it is acceptable with your building, we can pick up your laundry from a Front Desk/Office if left there.
- You can leave your laundry outside your door where we can receive it, as long as we can access your door. If your building is secure, we need to have a way to get past the security door.

STUDENT VALET PICK-UP TURN-AROUND Time:

- All laundry is returned the day after it is picked up, yes that means just a one day turnaround time.

If items are heavy dry clean items, such as heavy winter coats, comforters, etc., this can take 2 to -3 days due to other customers ahead of you.
